## San Francisco Labor Council Votes to Recommend Endorsement of Gavin Newsom for Lt. Governor

The San Francisco Labor Council voted overwhelmingly to recommend that the California Labor Federation endorse Gavin Newsom for Lieutenant Governor. The 82 percent vote in support of Newsom is a result of Mayor Newsom's record, his pro-worker policies and his vision for the future of working families in San Francisco, and in California.

“Mayor Newsom has shown his commitment to working families by supporting the hotel workers during their lockout, advocating to save teachers jobs, and through our groundbreaking partnership fighting for universal access to healthcare,” stated Tim Paulson, Executive Director of the San Francisco Labor Council. “The San Francisco Labor Council believes all of California’s working families will benefit from bringing this kind of leadership and vision to the office Lt. Governor and we proudly recommend his endorsement to the California Labor Federation,” concluded Paulson.

*The San Francisco Labor Council represents 100,000 working men and women who are members of our 150 unions in San Francisco. The Labor Council runs extensive field campaign operations for endorsed candidates and initiatives.*
