How to get to the Rally BART Civic Center Station. Park in Civic Center parking garages. Ride the Cal Train from the Peninsula to Millbrae Bart station and then BART to Civic Center station.

**We are in the  
fight of our lives.**

Essential services to residents are at risk...  
Students' futures being held hostage...Attacks on retirement...Thousands of jobs on the line... Threats to California families' health care...Limits to programs for seniors & at-risk youth...

**We've fought together  
before and we've won.**

**In tough times like  
these, it's time to do it  
again.**
